NOTE THAT THE SMOTHERS ROAD BRIDGE IS CLOSED – FOLLOW DETOUR →

IF you are coming from the North...

1. Take exit for Rt 61 south towards Sunbury

2. Even though Rt. 61 ends, stay on this road through Sunbury (no turns) – the road will become Columbus Street and then South Old 3C Road (note speed limit is 25 mph as you go through town)

3. Follow South Old 3C (name changes again to Harrison Street in Galena) until it ends in Galena. Turn left and cross the bridge and start driving down the east side of the reservoir on Sunbury Road

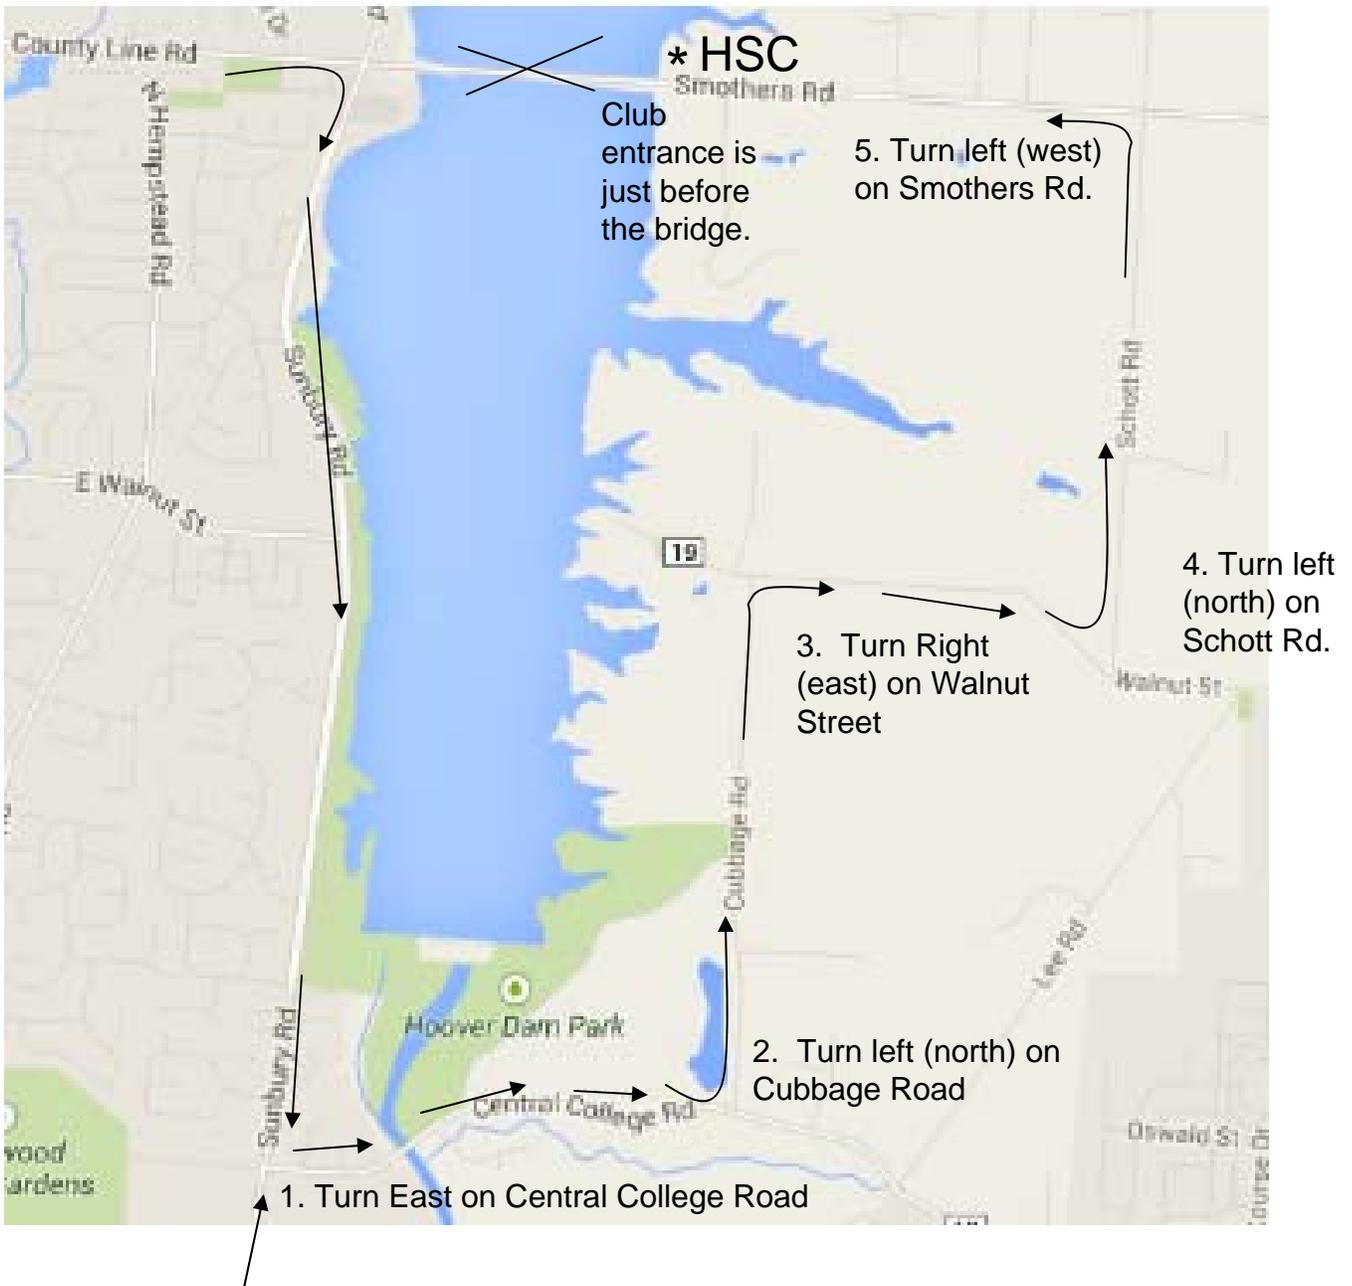

4. You will come to a 3-way stop where Sunbury Road turns right. Do not turn here. Continue straight through and you will now be on Red Bank Road.

5. Red bank road makes a sharp turn to the east and then about ½ mile later turns south (even though the road continues straight). Be sure to turn right to stay on Red Bank Road

6. Turn Right (west) on Smothers Road, club entrance is just before closed bridge

If you are coming from the South or West...

Note: This detour is well marked until you get to Smothers Road. There the signs just say “Road Closed” when you look to the left.
