

JUNIOR SAILING MEMBERSHIP

Junior Race Team (JRT) is representing Hoover Sailing Club, therefore membership is required. Dues for Junior Sailing Membership will be collected for each child enrolled in the JRT program. A full HSC Active Membership covers any JRT membership requirements within the member's family.

2018 Season Junior Sailing Membership is \$ 107.00 per sailor.

Junior Sailing Membership

Junior Sailing Membership (JS) is defined as a youth between the ages of 7-18 who has committed to sail as part of the HSC Junior Race Team (JRT), that does NOT already belong to the club through an Active Membership status with their family.

JS membership is renewable annually on a space available basis, and does not entitle the member to seniority rights, the right to vote or hold office, or the privilege to schedule the clubhouse for gatherings or parties. JS members will receive a gate key if they store a boat on HSC property, but not a house key. Gate key is to be returned at the end of the JS season.

JS members are encouraged to join the JRT for practice and regatta participation. JS members may participate in Club racing in privately owned recognized fleet boats or club owned boats used for junior sailing with the coach's authorization.

JS members may optionally store one boat that can be raced in JRT regattas on club grounds only during the junior sailing season. The grounds chairman will assign the storage location. JS members are entitled to launch from HSC during scheduled JRT practices, or when the JRT coach or chairperson are in attendance.

JS members are not required to perform race duty, but will be assigned to the junior sailing committee. They will be expected to help the JRT committee as needed, including but not limited to: serving as chaperon / providing transportation for one or more JRT regattas, serving race duty for HSC's junior regatta, docks in, docks out, and helping with JRT fundraising.
